# Carcass + PLUS

## Bull Sale

**Auctioneer:** JC Barr, 405-202-2472

**Livestock Press:**

Sam Rucker, *High Plains Journal*, 620-393-1107  
Andrew Sylvester, *Kansas Stockman*, 785-273-5115  
Jed Hill, 620-886-1701

Buyers unable to attend the sale may send their bids to the Auctioneer, owners, or any member of the livestock press.

DVAuction will be broadcasting this year's sale. Go to [www.dvauction.com](http://www.dvauction.com) to view the video of the bulls and register to bid.

**Sale Day Phones:**

Richard Poland 620-886-1720  
Berry Bortz 620-546-6077  
Brandon Poland 620-886-1755  
Paul Smith 620-886-0399

**Accommodations:**

**PRATT, KS:**

Days Inn..... 1901 E. 1st St. - 620-672-9465  
Comfort Suites.....704 Allison Lane - 620-672-9999  
Leisure Hotel.....1401 W. 54 Hwy. - 620-672-9433  
Super 8..... 1906 E. 1st St. - 620-672-5945

**MEDICINE LODGE, KS:**

Bunkhouse Bed & Breakfast.....1374 NW Goldenrod  
620-739-4788  
Copa Budget Host Inn..... W. Hwy. 160 - 620-886-5673  
Lodge Inn.....Hwy. 281 N - 620-886-3080

**Sale Location:**

From Isabel, KS (which is 15 miles north of Medicine Lodge or 22 miles SE of Pratt), Poland Angus Ranch is located 1 mile East on Hwy 42, 3 miles South on Isabel Road, 1 mile East on Mineral Road (at Poland Angus Ranch sign) and 1/4 mile North on Harvest Road.

**Repeat Buyer and Volume Discounts:**

We offer discounts for both repeat buyers and volume buyers of bulls that sell for greater than \$3,500. If you have purchased a bull in the last three years, you will receive a 5% discount on your bull purchases for any bull selling for more than \$3,500. If you buy five or more bulls for more than \$3,500 each, you will receive a 5% discount. Buy 10 or more and take 10% off. The total discount combining the repeat and volume discounts will not exceed 10%.

**Breeding Guarantee:**

First breeding season guarantee until August 1 of the year purchased, against death and injury on any bull selling for \$3,500 or more. In the case of an injury that prohibits the bull's use as a breeder per inspection by buyer and seller, the bull will be sold for salvage price, which the buyer will retain. The buyer will then receive credit for the bid price less the salvage price in next year's sale or exchange for a suitable replacement. All bulls are guaranteed as breeders; we stand behind all of the bulls regardless of price.

**Post-Sale Care:**

For those that may not have a safe place for your new purchase, we will care for your new purchases at no cost to you for 30 days. After 30 days, we will continue to care for your bull for \$5 per day.

**Sale Day Pickup:**

If you are able to pick up your purchase on sale day, \$50 will be deducted from the price. On bulls selling for more than \$3,500, we will deliver to central locations at no cost to you. Let us know at the settlement table if you will be taking your cattle with you.

**Terms and Conditions:**

We will retain 1/3 revenue sharing semen interest in all bulls selling in this year's sale. The purchaser gets full possession and 100% salvage value of the purchased bull. All purchases are to be settled sale day unless prior arrangements have been made. Cattle will sell under the suggested Terms and Conditions of the American Angus Association ([http://www.angus.org/Pub/suggested\\_sale\\_terms.pdf](http://www.angus.org/Pub/suggested_sale_terms.pdf)).

**Herd Health:**

Proper health certificates for immediate shipment will accompany all cattle. All breeding age bulls have passed a breeding soundness evaluation and have tested PI negative.

**Announcements:**

Announcements made from the sale block will take precedence over printed material.

**Insurance:**

Livestock mortality insurance is available upon request at the clerk's desk.

**Video Auction**

**The bulls will not run through the ring on sale day, so come early to evaluate the bulls in the pens!**

**Selling:**

25 Angus Fall Yearlings  
50 Angus Spring Yearlings

**Schedule of Events:**

**February 28:**

Noon-6:30 .....View Bulls  
6:30 p.m..... Complimentary Supper

**March 1**

8 a.m.....View Bulls  
11:30 a.m.....Complimentary Lunch  
12:45 p.m. .... Opening comments  
1 p.m. ....Video Auction Begins

Updated EPDs can be viewed online at [www.angus.org](http://www.angus.org).

Welcome to the 2017 edition of the Carcass Plus Bull Sale. The fact that you are in attendance means that you have survived the latest beef industry roller coaster, and are seeking the genetics that will enhance your profitability and sustainability in years to come.

CB Farms, Rolling Hills Cattle Company and Poland Angus Ranch have diligently searched to find and use the genetics that we feel are important to our own herd's profitability and sustainability. We feel that these genetics will work well in your operations as well as ours.

All of the bulls in this year's sale have been genomically tested using the i50K test. This test insures the accuracy of the pedigree and significantly increases the accuracy of the EPDs, removing much of the variation in how the bull will breed.

When you evaluate your operation and goals, you determine where you are doing well and where you need to improve. Your goal in sire selection then is to maintain the traits that are where you want them, then select the bulls that will enhance and improve the traits that you have determined need to be improved. The breeding decisions that you make this year will have a lasting and hopefully positive effect on your herd profitability for years to come. We are certain that you will find bulls in this offering that will fit your needs, regardless of the traits that you desire.

We hosted 316 4-H and FFA youth at our 24th Annual Angus EPD Judging contest in October. We congratulate those youth for their attendance and hope that their time spent here was both educational and enjoyable. It takes about 40 helpers to put on the contest each year and I thank those people for their commitment to make a difference in the lives of these youth. One friend said that the cattle we have today are sure better than they were when we started. Quite a compliment, and that is what our goal has been, to improve each generation.

Seven of our 10 grandchildren are old enough to be enrolled in 4-H. All seven have successfully exhibited our cattle at their county fairs. We are proud of their efforts as well as their placings. Last year Bailea and Faith exhibited our home raised steers at Crawford County, one of those steers was the 2nd high gaining steer, which was down a notch from the previous year when they were 1st and 2nd. They did an excellent job of feeding to the end point. At the Barber County Fair, Poland sired steers have done very well in the show ring and in the Carcass Value competition. It is great to see our genetics at county fairs and also working in your herds as we travel the area.

Thank you for your interest in our breeding program. If we can help you in any way, feel free to ask.

Richard Poland

What a year! This past year just kept playing like the old Wide World of Sports commentary by Jim McKay, "the thrill of victory and the agony of defeat." Shortly after last year's bull sale, we were able to sell our home raised calves to the packer for \$142/cwt. Which after the market collapsed in December 2015, felt like what we ancient K-State fans used to term a "moral victory."

We also were able to get Mike and Amber officially committed to each other on March 19th in a beautiful ceremony just outside of Edgerton, in of all places, a barn. I'll put that one in the genuine victory category.

The weather for calving and spring crops were as close to ideal as I have ever seen. We were only up two nights patrolling the pastures looking for chilled baby calves and the wheat crop had ideal conditions during the fill period producing a bumper crop for most of Kansas. Another victory until we went to sell it, then the agony set in when cash wheat price declined \$1.00/bu in less than 10 days. After wheat harvest, growing conditions again turned favorable with good rains in July and August both. Only to be tempered by the agony of having to spray milo two and three times for head worms and those darn sugar cane aphids.

Then in October our greatest thrill of all arrived. Emma Weston Bortz was born on October 16. Emma is Carla and my first grandchild. For those of you who have grandkids you will understand when I say that it is not only a thrill but also an overwhelming sense of contentment knowing the family is building the next generation to take our place. In order to fully play the grandmother role Carla felt it necessary to get a knee replaced in August. She no longer lists to the side like a sinking ship. Then to complete the transformation to grandmotherhood, she got her first set of bifocals this week. I also did my part to officially become a grandparent by attending multiple doctor visits and finally having neck surgery in December. We have both entered the world of operating our bodies with artificial parts. These are just things grandparents do, right?????? Science and technology are just too good to ignore, which leads me back to the bull sale.

All of our bulls have been genomically-tested using the 50K test. What this means to you as a buyer is you can buy with confidence that the bull's pedigree is as advertised and his progeny will perform as expected. Genomically-enhanced EPDs are 7 to 10 times more accurate than the bull's individual performance when it comes to traits that can be strongly influenced by environment such as birth weight, weaning weight, yearling weight and marbling. We are very proud of the genetic progress we have made over the last 16 years and are confident of the performance potential of these animals.

In last year's letter, I spoke how we don't have an official traceability program, but in reality we do because of the limited number of feeder cattle buyers today. What I would suggest to you is give those buyers more of a reason to buy your calves. Let them know where you get your bulls from. To encourage you to do this, I'll give you a \$20 gift certificate for every print ad or sale brochure that mentions you use Bortz bulls. Together we can achieve our goals but we can get there quicker if we have transparency between all segments of the industry.

Berry, Carla, Brandon, and Darnell

After getting hurt two years ago and two employees getting hurt this year we decided to upgrade our working facilities. At the feedlot we put in twin turret gates from Moly Mfg. At a Bermuda circle we built sorting pens and a double Bud Box system.

Buying online is as easy as 1, 2, 3...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding**-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

**Having troubles?**

During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.
